

# LONGWAY PLANETARIUM

## APRIL SHOW SCHEDULE

### Our Place In Space

Saturday & Sunday at 12:30pm

Help a macaw named Scarlet solve a crossword puzzle about where we live in space. Exploration starts on Earth (day/night), and goes through the solar system, and beyond. *Recommended for ages 4-10.*

### The StarGazer

Saturday & Sunday at 2:00pm

The show begins with a child's curiosity, moves on to the science of gravity, then ends with reflections on the deeper meanings of astronomy in our lives. Narrated by Dr. Kaler and Nichelle Nichols (Chief Communications Officer Uhura from the original Star Trek). *Recommended for ages 10 and older.*

### What Happened to Pluto

Saturday & Sunday at 3:30pm

Poor Pluto. For almost 80 years it was a Planet. *What Happened To Pluto* takes a look at the science and reasoning behind this astronomical controversy. *Recommended for children 6 and older.*

### Poetry Under the Stars

Tuesday, April 13 at 7pm

Admission is FREE. Theme: Faith. No matter the language, people from every culture have pondered the night sky in amazement. Poetry taps into a sublime network of emotions and life experiences, often revealing hidden connections. *Recommended for all ages.*
